---

'The 28th Amendment A New American Revolution HuffPost  
May 1st, 2020 - All of this explains why the idea of a 28th  
amendment to the constitution to limit the influence of money in  
politics and return at least a little more control of the federal  
government to the people is as popular in the U S as our national  
government is unpopular It would be hard to find anyone these  
days who believes that the government'

'National Perspective Beyond Citizens United Columns  
April 1st, 2020 - It spawned an important debate about the role  
of money in politics and perhaps an even more significant debate  
about the nature of free expression in a free society Few Supreme  
Court decisions have had the immediate effect on the structure of  
American civic life as Citizens United v 'PDF Recensione a Money  
Politics and the Constitution  
May 1st, 2020 - Recensione a Money Politics and the  
Constitution' Citizens United v FEC

---

---

May 1st, 2020 - Citizens United v Federal Election Commission 558 U S 310 2010 is a landmark United States Supreme Court case concerning campaign finance The Court held that the free speech clause of the First Amendment prohibits the government from restricting independent expenditures for political communications by corporations including nonprofit corporations labor unions and other associations'
